WINTER CONFERENCE BURSARY – 2019

The 2019 Winter Conference of the Vernacular Architecture Group will be held at the College Court Conference Centre, Leicester University on the weekend of 5-6 January 2019. The theme is “vernacular landscapes” and the conference will aim to explore the relationship between the house and its curtilage, settlement, community and wider landscape.

The Vernacular Architecture Group is able to offer three bursaries to assist registered students or professionals in the early years of their career to attend the Conference. The Committee is aware that the cost often makes attendance difficult for students and others who might benefit from the lectures and discussions, and from the opportunity to meet people active in the field. There is no age limit, and both full-time and part-time students are welcome to apply.

Applicants must be students of vernacular architecture or a related discipline, or early career professionals working in the field. Candidates will be expected to:

1. show evidence of an active interest in historic buildings, ideally vernacular architecture, including a list of relevant courses undertaken
2. show evidence that they are active in the field, e.g. by membership of the VAG or other relevant groups, or through relevant work experience
3. explain how they hope to benefit from attending the conference

Applications from students must be endorsed by a course tutor, and applications from early career professionals must be supported by a professional referee. Any other financial support available to the applicant for attending the conference must be declared. Applications and tutor endorsements/references should be sent by email to the VAG Secretary, Claire Jeffery, email secretary@vag.org.uk to reach her no later than Thursday 6 December. The bursary will cover the full cost of the £160 conference fee but will not cover travel or any other expenses.

Applicants who are already members of the Group and propose to attend the conference with or without the support of a bursary should ensure a place on the conference by booking in the normal way. Anyone who has reserved a place at full cost but subsequently obtains a bursary will receive a full refund.

Recipients of bursaries will be asked to write a resume of the conference for the VAG Newsletter. We hope that the recipients will be sufficiently inspired by the conference to join the VAG if they are not already members. The VAG Committee would be grateful if you could bring this item to the notice of anyone who is eligible and who you feel would benefit from attending the conference.
